Historical and Philosophical Society of Ohio.

CATALOGUE OF

THE TORRENCE PAPERS.

THE Index upon the next page gives the best general idea of this collection of papers. Among the letters in the first twenty-nine boxes have been put the manuscripts and orders of persons whose letters are given.

To General Findlay and to his family, to President Harrison and family, to the Torrences and one or two others, separate boxes have been assigned, and in these not only their letters, but other documents concerning them have been placed.

The dates of letters will often assist those who consult this catalogue, and generally all papers in their respective classes are arranged by date.

For an account of the full extent of the generous gift made to the Society by Aaron Torrence, Esq., of which here only the manuscript portion is given, the reports of the Librarian for 1885 and 1886 may be consulted. E. F. B.
